Dräger PAS AirPack 1

Product code: 33 52 228 · Series: Dräger PAS

The Dräger PAS AirPack 1 is a compact airline trolley that holds up to four compressed air cylinders of up to 12 litres and supplies breathing air to up to two people through a hose reel. Wearers need only a light harness, which suits long jobs such as tank cleaning, spill response and offshore work. Trolley and carry-frame versions are available; suitable for ATEX zone 1.

- 01 Air supply for up to two wearers
- 02 Up to four cylinders of up to 12 l
- 03 50 m hose as standard, extendable to 100 m
- 04 Inlet 200 or 300 bar, outlet 8 bar nominal
- 05 Trolley, carry frame and quad pack options
- 06 Suitable for ATEX zone 1
