Dräger PAS AirPack 2

Product code: 33 52 236 · Series: Dräger PAS

The Dräger PAS AirPack 2 is a mobile airline trolley for one or two compressed air cylinders of up to 50 litres. Through its hose reels it supplies breathing air to up to four wearers, who only need a light harness. It suits long tasks such as tank cleaning, spill response and offshore work, and is suitable for ATEX Zone 1.

- 01 Air supply for up to four wearers
- 02 One or two cylinders of up to 50 l
- 03 50 m hose as standard, extendable to 100 m
- 04 Inlet 200 or 300 bar, outlet 8 bar nominal
- 05 High-pressure and airline whistle warnings
- 06 Suitable for ATEX Zone 1
