

SPC 4900

Series: SPC

The Dräger SPC 4900 is a liquid-tight, limited-use full-body protective suit with visor, protecting against the finest particles and powders and many concentrated inorganic acids and alkaline solutions. It is also resistant to a wide variety of organic liquid chemicals and is used with a full face mask in conjunction with an SCBA. It is classified as type 3, 4, 5 and 6; the CLF material is developed and manufactured in Germany.

- 01 Full-body protective suit with visor
- 02 Liquid-tight, limited use
- 03 Chemical protective suit type 3, 4, 5 and 6
- 04 CLF material; developed and manufactured in Germany
- 05 Used with a full face mask and SCBA
